I'm not sure if you're aware the Stitching Sisters store quilt frames in a farm/storage building at Luther Park. We have some plastic tubs with our quilt show "stuff" we're wondering if we can store with the frames.

If you're not the person I should be asking this question of, just let me know who I should contact.

Hi Pam,
Yes, it's fine if you store your plastic tubs with the quilt frames. That should be no problem.
Liz (our office manager) is the one who can be your main contact for this. I've copied her on this email so she knows that you'll be storing some additional things along with the quilt frames.
Peace,
Heather
