

Letter of Agreement

This agreement is between Luther Park Bible Camp and the Stitching Sisters Quilt Guild of Chetek creating a joint ownership of an existing set of wooden quilt racks constructed by Luther Park with materials provided by the Stitching Sisters.

The racks are for the sole use of the two parties, unless both parties mutually agree to lend or sell such racks.

Luther Park Bible Camp shall store the racks and maintain them in good condition.

This agreement continues until either party is dissolved which results in the automatic free and clear transfer of the racks to the remaining party.

This agreement may be amended by mutual consent of the parties.
