QUILT WINNER

Congratulations to Don Kringle of Rice Lake, winner of the beautiful custom-made quilt called "Neighborhood." Don purchased his winning ticket at our booth at Cedar Mall and his name was drawn on December 8th in Chetek at the "Santa Comes to Town" event at the Garage Youth Center.

Many thanks to everyone who purchased a ticket and special thanks to Jane Martin for designing this one-of-a-kind quilt, to Linda Huber for doing the actual quilting and to all the quilters who donated their time and talents to this project. Proceeds from this raffle will go toward costs of building the home currently under construction with Connie & Ryan Adkins and their children.
