Quilt Show Update

Pam thanked everyone for their hard work in making the Quilt Show a success. She commented that she had not realized just how much work goes into organizing such a large event. During the discussion, it was noted that the guild should wait until the total number of quilt entries is known before requesting additional quilts.

New meeting schedule-

Pam proposed a change to the meeting format beginning with the August 3 meeting. The business meeting will begin at 1:30 p.m., followed by clubs and the program/speaker. This schedule will be tried to ensure all business can be covered before the afternoon activities.
