REBECCA ANDERSON

Quilt Pattern Designer, Speaker and Teacher
is coming to Chetek to give a lecture entitled
"Don't Abandon It!"

If your quilt isn't working for you, it's headed for the UFO (Unfinished Object) pile. Rebecca's entertaining trunk show presents 10 creative strategies for making lemonade out of lemons. Got a disaster of your own? She will give you a new sense of direction.

Rebecca currently resides in Bloomington, Minnesota. In addition to her love of quilting, she's a wife, mother and grandmother. Her stash of fabric helps insulate her against the famous Minnesota winters.
